

August 1, 2011, marked our 14<sup>th</sup> anniversary selling the most unique, delicious and convenient frozen pizza in the food service industry.

What is a “Kasa’s Pizza Pack”? We make a handmade, 18”, 3 pound Pizza Pie. We bake it gently, slice it into 8 large delicious slices and then we freeze the slices. We stack the 8 slices into two stacks of 4 slices and place them in a bag. Therefore, a single person or a family can now enjoy 1 slice at a time or make all 8 slices and have a pizza party in 5 minutes and it comes out **HOT** and **CRISPY!**
